Let's begin your journey with a brand that believes in making the world sip smarter.

OUR INSPIRING LEADERS

At Asepto, our leadership sets new benchmarks and delivers unmatched value to our business partners with their vision, innovation, and deep industry insight.

VISION

To create a sustainable global model for liquid packaging involving innovations and disruptive technologies to offer flexible, dynamic & differentiating solutions to the beverage companies at large.

Mr. ASHOK CHATURVEDI

*Founder, Chairman & Managing Director
UFlex Limited*

MISSION

Contribute towards development of a world where every mankind has access to safe and pure food, & live a healthy life in an environment free of pollution.

Mr. ASHWANI KUMAR SHARMA

*President & CEO
Liquid Packaging Business, UFlex Limited*

Want to know how our leaders have guided us to become the trendsetters?

SETTING BENCHMARKS

OUR JOURNEY. YOUR ADVANTAGE.

We began our journey in 2017 in Sanand, India, with a clear mission to lead.

Today, as India's top aseptic liquid packaging brand, we are setting new benchmarks – with a new plant in Egypt, and next goal to become the World's No. 2 Roll-Fed brand by 2028

INNOVATION-DRIVEN
PACKAGING SOLUTIONS

FASTEST FILLING LINE &
CUTTING-EDGE TECHNOLOGY

SERVING BILLION
SMILES EVERYTIME

2017

Started with 6 Bn capacity, expanded to 18 Bn packs for global growth

Pioneered innovations in aseptic laminates. Added filling lines, and 24/7 global technical support

Launched u-shaped paper straws, and Design Shop – completing the end-to-end aseptic liquid packaging vision. Expanded filling line capacity up to 25,000 packs per hour

2025

Commissioned Egypt plant – powering global packaging excellence

Think that's bold?
Wait till you see where we already are.
